Market Time

The average Days On Market (DOM) shows how many days the average Property is on the market before it sells. An upward trend in DOM tends to indicate a move towards more of a Buyer's market, a downward trend a move towards more of a Seller's market. The DOM for January was 0, up from 0 days last month and up from 0 days in January of last year. The January 2011 DOM was at a mid level compared with January of 2010 and 2009.

Days On Market for Sold Properties

Selling Price per Square Foot

The Selling Price per Square Foot is a great indicator for the direction of Property values. Since Median Sales Price and Average Sales price can be impacted by the 'mix' of high or low end Properties in the market, the selling price per square foot is a more normalized indicator on the direction of Property values. The January 2011 Selling Price per Square Foot of \$0 was up from \$0 last month and up from 0 in January of last year.
